

1) Give the student, these
signs and get them to incorporate
them into drawings Malachy

 Humanizing Language Teaching

An alternative ex
 would be to have them
 connect the signs
 into one picture
 and tell a story
 from the pic, in which
 the scene in the pic
 is a part of before or
after the pic.

2) Give them the keys individually and get them to recall
 + explain:

- = my view of myself
- = me + my friend
- ∧ = my conception of life
- = my view of me and others
- = me and my ambition
- = my view of love
