

Snippets from some <sup>of</sup> our speakers  
Who said what and in what context?

J [redacted] the publican  
S [redacted] the Scot  
V [redacted] the ex-policewoman  
R [redacted] the Georgian  
St [redacted] (only half the group worked with him)  
A [redacted]

If anyone fancies Leeds Castle  
The beach is shingle  
Landlocked Missouri  
I'll be alluding to that....  
The two towns have run together  
My grandfather was a ship's plater  
She took in rags  
They always had a few quid  
They were strict, the nuns....  
All frough your school life.....  
We're the lowest of the fucking low, the scum of the earth....  
My first man that I booked....  
We did drill with the men...  
Kansas is the state adjacent...  
The sky over-arches you like like a geat demi-sphere  
A manager into post  
He got upskilled....  
I cashed in on a round trip.....  
My bicycle had no speeds.....  
By absentee ballot  
I led quite a sheltered life, can I say.....  
The worst estate.....quite rough.....they'd let your tyres down....  
We used to do traffic duty , which was horrendous...  
I'm talking forty years ago....  
A wee thing you can look at....  
A drich day.....  
Even in this day and age....  
5 nothing  
Highland clearances....  
We're ruled by effete arseholes.....  
It's a shite state of affairs.....  
I even had a stint as an altar boy.....  
She ended up out of pocket.....  
He may have taken a dislike to me  
It does run in the family, villains and police...  
I couldn't get my uniform done up....  
I'm not 100% sure on that....  
We got a grant                      Knickers!!
