Dear Everybody,

The purpose of this afternoon's session is twofold: (a) to give you a practical, experiential idea of what our Canterbury Hilltop* courses are like and (b) to offer you techniques you can try out with your own students tomorrow morning.

I cannot show you exercises from all the courses we run, because there are too many of them, so I will focus on those courses which proved most popular last year and also on the two new courses. You can get full descriptions of each course under Teacher Training if you go to our website: www.pilgrims.co.uk.

Another way to get a sniff of what we do is to visit our webzine for teachers at www.altmag.co.uk. We would love you to write for it - if you'd like to, please contact the editor: hania.kryszewska@pilgrims.co.uk.

Do you write letters to your classes? It can be very useful.

If you are a teacher trainer please visit our magazine for you: http://www.pilgrims.co.uk

Warmly yours
