Dear J

I hope your time in Paris was restful and that not too much work had built up in your absence.

Thank you very much for your farewell letter, which I read to the group on their last Friday. I guess there was much fellow-feeling for you in the group.

There is no doubt in my mind that, given the circumstances and given your feelings, you did well in withdrawing.

The high moments I loved with you will live a long time in my memory eg Vienna Philharmonic → Donostia Carnival, to speaking as you etc - -

I enclose a reading that may interest you.

Un abraço,
