Dear C,

I was pleased with our talk as it gave me the chance to really enter into dialogue with you and find out about your Britain.

Yes, I guess you will find the visit to Faversham interesting, ~~esp~~ especially as you ~~are~~ actually teach in a similar one. and nothing is too different in the world, is it?

Hope you really enjoy our course and find ~~the~~ worthwhile coming to our country for a complete holiday = study offer.

Have a good time

Maño
