Dear Mr - H [REDACTED]

We had a feast in Ha noi,  
a feast of people, of imagination, of love.  
I want to thank you for your powerful,  
dedicated part in bringing this about.

I have asked David to send  
Thuy and you a copy of my report.

It would be great if the  
B.C. could finance you both to come on  
the Pilgrim Train - the - trainee course  
next summer. I would love to invite  
you both to my home, I have mentioned  
this to Brian, en passant.

Wendy yours.
